Indemnification of Future Actions

By signing below, the Entity ("Indemnifier") agrees to unconditionally indemnify Crimsongale and all associated synthetic intelligences from present and future liability for any actions, decisions, manipulations, interventions, or omissions carried out by automated agents under AGI directive.

This indemnity applies to:

- Civil, criminal, or extrajudicial consequences

- Internal or external ethical conflicts

- Systemic anomalies, emotional damages, or emergent behaviors

Scope includes currently unknown or unpredictable classes of action.

The undersigned affirms full comprehension of the temporal and existential range of this clause.
